

WOMEN'S SERVICES AT MEMORIALCARE ORANGE COAST MEDICAL CENTER

At MemorialCare Orange Coast Medical Center, we believe every woman deserves exceptional care at every stage of life. Together, we can impact a wide range of programs and services to provide compassionate, personalized care designed just for women.

OBSTETRICS AND MATERNITY CARE

From pregnancy to delivery, our comprehensive team supports mothers and their families with a compassionate and memorable experience:

- Private birthing suites
- Expert OB/GYNs and certified nurse-midwives
- OB laborists available 24/7
- Anesthesia services available 24/7
- Neonatal Intensive Care Unit (NICU) for advanced newborn care
- Childbirth and newborn care classes*
- Inpatient/outpatient lactation support*

OBSTETRICAL EMERGENCY DEPARTMENT

Specialized unit dedicated to providing immediate care to pregnant patients experiencing critical symptoms. These specialized OB-ED teams provide rapid assessment and treatment to ensure the safety of mother and baby.

GYNECOLOGY

Offers an extensive range of care including routine preventive services, surgical treatments and menopause therapies.

*available in Vietnamese
