

WOMEN'S HEALTH SERVICES MEMORIALCARE SADDLEBACK MEDICAL CENTER

MemorialCare Saddleback Medical Center's hallmark is caring for patients with a special level of kindness and humanity, combined with advanced technology and medical expertise. Together, we can impact a wide range of programs and services that help us care for thousands of women each year.

THE WOMEN'S HOSPITAL

Offering a team of highly trained obstetricians, neonatologists and other specialists who are sensitive to the needs of mothers and their babies.

- Labor and Delivery
- Irma Feldcamp Neonatal Intensive Care Unit
- OB Emergency Department
- Jane L. Frederick, M.D. Bonding Room
- Wellness Care
- Midwife Program
- Maternity Concierge

WOMEN'S HEALTH PAVILION

This state-of-the-art, three-story, 42,000-square-foot facility is elevating the future of women's health care and focusing on women's needs through all stages of their lives. In this beautiful, spa-inspired space, more women in our community will have access to:

- The new Sarah & Taylor Nederlander Breast Center
- Innovative equipment and technology
- Patient navigators for personalized guidance
- Women's surgical and oncology experts
- Obstetrics and gynecological specialists
- Certified nurse midwives
- Community Education Center
